

Albourne Parish Council

Sayers Common Ward

Sayers Common Community Shop are working together with Albourne Parish Council, Sayers Common Ward Councillors and ASCAT PCC (the church) to ensure that residents can cope with the emergency caused by the Corona Virus (COVID-19) Pandemic.

Together we are compiling a list of vulnerable people, those self-isolating and, most importantly, volunteers who are available to give help to those who need it - including shopping, submitting prescriptions, posting things, walking dogs and helping in the community shop.

Please fill in your details below and you will be put in touch with the co-ordinator for your area.

Please will you also check if any of your neighbours are among those who need assistance - if so please let us know.

Telephone: 01273 834224
